

**Datamation Systems has been crating custom fit solutions for document processing environments for over 30 years. Designers, architects, facility managers, builders and contractors have benefited from the breadth of Datamation's design experience with custom products. Products can be taken from sketch to installation, usually within less than six weeks.**

- **Component design for unlimited flexibility and easy specification**
- **Custom design is modular and can be removed and reinstalled if client relocates**
- **Easy to adjust and can grow as the needs of the client grow**
- **No designer liability**
- **Limited Lifetime Warranty**
